INCH LITE

LAYING GROUNDS FOR A LASTING E-MOBILITY

INCH LITE

Safe and simple

INCH Lite is a fuss-free EV charger that conveys the same design qualities as the INCH wall box family. It is good-looking, sturdy, and made from sustainable materials.

INCH Lite allows safe charging at home with built-in electrical protection and simple plug & play mode. At the same time, built-in cable holder keeps charging cable away, when not in use.

Thanks to its minimalistic approach and optional interactive upgrade, INCH Lite is built to outlast your EV – without the hefty price tag.

- A simplified user interface with LED status indicator offers just enough information for uninterrupted daily use.
- The larger size provides ample space fort he built-in electrical protection.
- Simple plug & play mode with pre-set configuration allows fast installation.
- Sturdy aluminium housing keeps components safe and secure, thus increasing the charger life. Durability reflects in an extended product warranty.

USE CASES	*Home*	*Apartment buildings*	*Commercial buildings*	*Hospitality*	*Car Parks*	*Municipalities*
